HAROLD WEISBERG
7627 OLD RECEIVER ROAD
FREDERICK, MD. 21702

Dear Harold=

This will be a brief letter.

I'm enclosing xerox copies of items I think you should be aware of (I don't necessarily agree with some statements in the articles but at least you'll get an idea of what is being written about).

I'm also enclosing two complete magazines. One is "At Random" and features Posner on the cover & also inside & the other is the "Assassination Chronicles".

Regarding my stay in Washington, D.C.: You'll recall that you asked about the possible times I could see and I mentioned either "late" Sunday (Oct. 20th) or "early" Monday (Oct. 21). It appears that late Sunday may not be the best time for me and you because it is very unlikely we'd get there well before 5pm (which is what you requested). And by early "Monday I meant a time convenient for you which is, as you requested, after 9 A.M.

There is also another possibility. By the time you receive this it should be about Thursday, Oct. 17th but I'll be in town on Wed. Oct. 16th and on that date most likely arrive about 5pm (Wed.). I may not be able to call you on Wed. night but I can call you on Thursday morning.

Thursday, Oct. 17th appears to be a day on which no events are happening for the "COPA" conference. It is possible I could see you sometime during Thursday, instead of either Sunday a Monday.

My plans will all hinge on whether I can obtain a ride to your place. I'll try to see if a friend can use his car (depending upon whether he has the time on Thursday). At this point I cannot tell for sure but when I call you I hope to be in a better position to know my plans.

I trust all this will work out when I get to Washington.

Best,
Hal Verb
